Control Products, Inc. Promotes Paul Carlson to President

Minneapolis, Minnesota – June 23, 2008 Control Products, Inc., a trusted leader in electronic control technology, is proud to announce the promotion of Paul Carlson to the position of President effective July 1, 2008.

Since coming to Control Products in 2003, Paul has been instrumental in managing the Operations and Engineering of the company through a period of continuous growth. Paul also helped lead the initiative to establish Control Products as a global electronic control manufacturer. As President of Control Products Paul will assume management of all functional groups.

Paul's leadership skills will be invaluable as Control Products continues its expansion globally. Paul's new responsibilities will free up CEO Chris Berghoff to focus on long term strategic issues. According to Chris Berghoff, "Paul's unique combination of skills, business acumen, industry knowledge and energy level will benefit Control Products and its customers".
