Control Products, Inc. Extends Focus On Food Service Equipment Industry – Jerry Brown Joins Team

Minneapolis, Minnesota – January 26, 2004 Control Products, Inc., a trusted leader in electronic control technology, welcomes Jerry Brown to its team as the Director, Food Service Industry. Jerry’s focus will be to extend Control Products’ growth within the Food Service industry working closely with major commercial appliance OEM’s and directly with national restaurant chains to further advance its IntelliNet™ communications technology and electronic control product offerings.

“We are excited to have someone with Jerry’s industry knowledge and experience join our organization,” stated Chris Berghoff, President of Control Products. “Jerry has a solid reputation in the Food Service industry, having served it for over 30 years. He brings many unique insights to his new position.”

In recent years Jerry was selected to be a member of a Major Quick Service Restaurant’s (QSR) Equipment Supplier Council. He is a NAFEM Certified Food Service Professional (CFSP) and a past president of the Southeast Chapter of the American Society of Gas Engineers.

Please join us in welcoming Jerry to Control Products. He will be based in Chicago Illinois and can be reached by calling 1-630-740-7454 or via email at jbrown@controlproductsinc.com.
