Press Release

Control Products, Inc. Promotes Bonnie Fromm to Production Manager at Le Sueur Facility

Minneapolis, Minnesota – June 22, 2005 Control Products, Inc., a trusted leader in electronic control technology, is pleased to announce the promotion of Bonnie Fromm to Production Manager at our Le Sueur, Minnesota facility. Bonnie joined Control Products in December 2002 as a Production Supervisor at our Chanhassen manufacturing location. She moved to the Le Sueur facility as a Production Supervisor when the plant opened in March 2004.

Due to our continued growth, Bonnie's primary responsibilities will be to manage the growth and optimize production efficiencies in Le Sueur. This plant is an integral part of our domestic production capabilities. Along with our China facility, which becomes operational later this year, Control Products is positioned to provide the best value in electronic control solutions regardless of design complexity, material specifications, labor content or logistical requirements.
