Press Release

Control Products, Inc. Promotes Gerard Montano to International Production Manager

Minneapolis, Minnesota – April 29, 2005 Control Products, Inc., a trusted leader in electronic control technology, is proud to announce the promotion of Gerard Montano to International Production Manager. Most recently Mr. Montano has held the position of Manager of Surface Mount and Warehouse Operations at our Chanhassen Minnesota facility. In addition to his current responsibilities, Mr. Montano will lead the Control Products International Team as we expand into China. The China facility is expected to be operational in the second half of 2005.

When the China facility comes on-line, Control Products will be expanding its global reach in the areas of design, procurement and manufacturing. Along with two domestic manufacturing facilities, Control Products is positioned to provide the best value in electronic control solutions regardless of design complexity, material specifications, labor content or logistical requirements.
